

REMARKS

This paper is submitted in response to the Notice of Non-Compliant Amendment of July 31, 2007 for the above-identified application and in response to the conversation the undersigned representative had with Veronica Day-Everett regarding this application on August 9, 2007. The Applicants thank Ms. Day-Everett for the courtesies shown in the conversation.

It is understood from Ms. Day-Everett the Notice was issued because what the Applicant stated was the title to be deleted in the Amendment of July 25, 2007 did not appear to be the title of record. Upon review of the file for this application, it was acknowledged that the proposed new title for this application in the Applicants' paper of June 12, 2006 was not entered into the Office's file for this application.

Per Ms. Day-Everett's suggestion, the Applicants now resubmit the amended title. Set forth as text to be deleted is the June 12, 2006 title. Per Ms. Day-Everett's suggestion, the new title follows in regular, not underlined, text.

The Applicants submit that they have attended to the matter giving rise to the Notice. The title of this application should be amended to reflect the new title and the application forwarded to the Examiner for continued review.

Respectfully submitted,

August 9, 2007
